You're listening to Color Radio, KVMR-FM, Nevada City. Saturday evenings from 4-6 PM, R+B,Doo Wop And Rock and Roll blast through your radio speakers, and drop you into a time zone somewhere in the 1950's.

Music from the time period that isn't heard too often is what I have been collecting for about 30 years. Along with a few of the hits, you will hear groups from all over the United States, hard driving rock and roll, rockabilly, and even a few ballads.

The pace is fast, the songs are short, and the excitement is high. Tune in for music from the past, that just might be brand new to you
